RE: CFX 2040 Master Plan

Dear Chairman Carey,

I would like to invite the Seminole County Commission and staff to the September 10, 2015 Board meeting of the Central Florida Expressway Authority. As you know, we're in the process of developing our 2040 Master Plan and would like to give you another opportunity to share input on the transportation needs of Seminole County. Our team has met one-on-one with members of your staff and recorded their ideas and feedback. I've also had the pleasure of presenting to your Board of County Commissioners on June 9.

During our September meeting, your representatives will have time to address our Board about important projects and future partnering opportunities. The Master Plan elements under consideration include improvements to our existing expressway system, potential system expansion projects and our role within the multimodal transportation network.

The Board meeting will be held at the CFX offices located at 4974 ORL Tower Road, Orlando, Florida 32807. It will begin at 9:00 a.m. and conclude around noon. We hope you'll join us. Please contact my executive assistant, Darleen Mazzillo, at 407-690-5000 or Darleen.Mazzillo@CFXway.com, by Monday, August 31 to confirm Seminole County's attendance and participation.

Sincerely,

Laura Kelley
